ASSOCIATED COUNTRY WOMEN OF THE WORLD
ACWW Connects & Supports Women and Communities Worldwide

**29 April is
ACWW Day!**

Each year, people worldwide celebrate ACWW's international network by joining together to Walk the World

The aim is raise awareness of ACWW's work, promote the organisation and raise funds - this money goes to further develop our aims of raising the standard of living for rural women and their families through education, training and community development programmes, supporting educational opportunities for women and girls and help eliminate gender discrimination.

You can join us! This is how you can participate and take your part in Women Walk the World

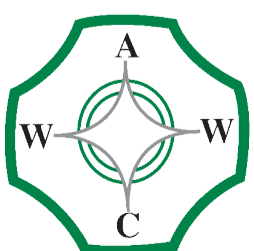

On behalf of the Norfolk Federation of WIs why not:

- o Invite family and friends to join you - take the dog!
- o Walk locally or plan a WI walking outing
- o Take photos to promote your WI - walking is so good for you!

Donations to be sent to the Federation Office (please contact Vanessa if you have queries re donations).

Don't forget to send us photos of your walk, with details of how many people took part, the weather and where you walked by 15 May. The winner of our photo competition will be featured on the front cover of the July issue of The Countrywoman magazine
