

Good morning

2 March 2022

We have received a number of enquiries asking for information as to how the WI can be of assistance during this crisis. National have issued a statement outlining the help WIs can give and a list of items that may be required. The link to the page on the National website is below:

[Supporting Ukraine | National Federation of Women's Institutes \(thewi.org.uk\)](https://thewi.org.uk/supporting-ukraine)

There is also a very good double-page article in the EDP today, which gives details of collection centres in Norfolk and what they are suggesting would be useful. Again, the link is below:

[Donations for Ukraine: How can I help? | Eastern Daily Press \(edp24.co.uk\)](https://www.edp24.co.uk/news/donations-for-ukraine-how-can-i-help/)

The EDP have highlighted that there is a charity scam linked to the Ukraine Crisis. Apparently, scammers are pretending to be well-known charities or impersonating people affected, so please be careful!

If your WI wishes to help but is unable to get to any of the numerous collection points in the County, please do get in touch and we will see if we can help.

Thank you all for your generosity of spirit.

Take care
Louise

Louise Casson
Federation Secretary
