**CORONATION
GARDENS**
For food & nature

Campaign Cup Competition Application Deadline Extended!

The Public Affairs Committee have reconsidered the deadline for applications and feel that it would be better if the **deadline were to be 15th September.**

This will give you more time to explore the challenges set, in line with the Coronation Gardens initiative. There is so much information still being published.

Do think about applying and enjoy your gardens!

The aim is to encourage you to **grow your own food**
in **wildlife-friendly gardens**

The competition is to **produce an album** that will record your gardening experiences over the first year

Entry Fee £2.00

For an Entry Form contact Helen
