Photo Safari 2 Around Norwich

Thursday 6th November

10:00am – approx 12:30pm
(Starting from Evelyn Suffield House)

£8

Refreshments will be available at the start and end of the walk

We all know what Norwich looks like at normal eye level but have you ever looked up at buildings or down on the pavement below your feet?

This walking 'safari' does just that (incidentally safari is Swahili for journey!)

You will have short brief on what the safari will consist of, followed by a walk in central Norwich where you are encouraged to take photos of anything at any height which takes your fancy

Returning to the house for refreshments and a chance to show off your photos on a big screen if you want

You don't need a top end camera, a mobile phone camera will do, however a sensible pair of shoes and suitable clothing for the weather conditions will be needed

Tickets will be issued from 25th September
For ticket availability after allocation contact the office

Please see application form on reverse
