

Life in Lockdown 2020 Our Members' History Project

For the first time in our 101 year history, during full lockdown all Norfolk Federation WI meetings were cancelled due to Coronavirus. Even during WW2, most WIs carried on meeting!

For our archives, and for those who come after us, it will be fascinating if members record their thoughts and feelings during these unique times.

In order for this to be a true picture we feel it is *so important* that every single member in Norfolk participates in our history project. There are only a few, simple questions and you can answer in just one word if you want, or add another page if you have more to say!

Please reply using the postcard below or by email to Helen at admin@norfolkwi.org.uk

Thank you and we very much look forward to hearing from you.

Kim Reynolds

Board of Trustees and Membership Advisory Committee Chairman
