

Women Walk the World

30th April 2023

(or another convenient day nearby)

For the Associated Country Women of the World (**ACWW**) and the international projects supported by our **Pennies for Friendship**

A donation to ACWW's projects fund would be welcomed - but is never compulsory!

Some Ideas

1. Include your household members, relations, friends, and dogs, of course!
2. Involve non walkers by meeting afterwards for a coffee, lunch or tea
3. Please try to send your WI's cheque, made out to ACWW, to Federation Office by June 15th for inclusion in this year's total.
4. Think about the hundreds of other ACWW members around the world who are also walking – for pleasure, or of necessity.
5. Afterwards why send us your photos and reports to Norfolk WI News and we will publish them in upcoming issues
