Cheryl Cade Cheese Sommelier

Cheryl is a Beer & Cheese Educator, a member of the Academy of Cheese and will share her passion for cheese

Each meeting will be the same and give you plenty of time to...

- **Visit all the Sub-Committee stands, including Sales & Marketing's famous Mobile Shop**
- **Buy your 500 Club Shares**
- **Hear about the events planned for 2023 and...**
- **Have a chat over refreshments!**

As there is no formal business we do not have delegates at these meetings, so it is possible for members from the same WI to attend different venues. It is anticipated that everyone who has applied by the allocation date will be successful, but you can continue to apply after that date, (although we cannot guarantee there will still be tickets).

We look forward to seeing you!

Kind regards

Louise Casson
Federation Secretary
