Resolutions 2022/2023

I am writing this on a VERY hot day in July and it seems strange to be thinking about meetings and Resolutions timetables now but I do need to share with you the slightly different approach to Resolutions information this year in Norfolk! I shall be going to the National Resolutions shortlisting meeting at the beginning of October - not by train but by Zoom again! Then the shortlisted Resolutions will be published in the November edition of WI Life.

At this stage we have, in the past, held an Information meeting at Mattishall to discuss the Resolutions but this was not popular last autumn (nor was the April meeting). Why? We are not sure but any comments you have would be appreciated (send me an email via the Federation Office). SO..... we decided to do something different (as we do in Norfolk!). There will be 2 smaller meetings, one in Evelyn Suffield House and one by Zoom so you can choose the format which you prefer! Look out for the flyers and booking forms in the September mailing. Here are the details –

Resolutions Information Meeting

Tuesday 29th November 2022, 10. 30– 12.30, Evelyn Suffield House

This will be a smaller meeting than in the past but will still focus on the shortlisted Resolutions. Discussions will be led by members of the PA subcommittee.

Resolutions Discussion by Zoom

Thursday 12th January 2022, 10.00-12.00

This will be another opportunity to discuss the Resolutions and any other concerns about Resolutions. Again, the discussion will be led by the PA subcommittee.

Voting for the Resolution you prefer

At the January meeting of your WI (or beginning of February if you meet early in the month) you will select the Resolution which you prefer. More about this in due course.
