

Lunch with Giggly Pigs

Come and hear Tracy Mackness who is, in her own words, a bad Essex girl, turned good!

After receiving a 10 year jail sentence for importing illegal drugs, she proved a model prisoner and on her release from prison, turned her life around and is now a very successful pig farmer and author.

Her story will make for a very interesting talk.

She will also have some of her sausages for sale on the day.

Monday 20th May 2024

Norfolk Cricket Club, Horsford, NR10 3AQ

12 - 4pm

£30
