The Norfolk Federation Digital Training Team Needs You!

Do you have a flair for computers?

Do you enjoy helping others with
their computer conundrums?

Then the Norfolk Federation Digital Training Team would love to have you on board.

We run our Get Comfortable Online workshops regularly helping WI members with all things digital, and we meet on-line two or three times a year plus a lunch get-together.

We don't know all the answers, but we have fun finding out.

The Digital Training Team aims to "to inspire, enthuse, educate and guide members to develop their digital skills."
