

## NORFOLK WI PALS NEWSLETTER APRIL 2021

Dear all

Have you noticed the logo at the top of this newsletter? We have revamped the PA subcommittee pages on the Norfolk WI website and you will find this logo there. Click on it and you will have access to the current PALs Newsletter so more members can access the information. Please have a look at the website pages for Norfolk WI. It is all being revised and is very exciting. Our thanks to the Communications subcommittee who are doing such wonderful things!

### Resolutions and Zoom Resolutions Meeting

As you know the Resolution to be debated this year is **“A call to increase awareness of the subtle signs of ovarian cancer”**. You have probably seen the flyer about the Zoom meeting on Wednesday 5<sup>th</sup> May at 10.30 when we shall have a presentation from Target Ovarian Cancer, the UK’s leading ovarian cancer charity. There will be a chance to ask questions of the presenter. Then we will have time for a reminder of the procedure for voting this year (remember that there will be no voting at the National Annual Meeting but voting will happen online later in June/early July). There will be a Q&A session about Resolutions and Campaigns generally as time permits. I am interested to see how a Zoom session like this will work and look forward to your feedback afterwards. Please contact Helen at [admin@norfolkwi.org.uk](mailto:admin@norfolkwi.org.uk) if you would like to attend. There is no charge!

### ACWW and Women Walk the World

We hope that you might be able to arrange a socially distanced walk or even walk around your living room to raise some money for ACWW. Our Facebook campaign featured songs about walking, ending with “Walking back to Happiness” and this is what we hope we are now doing! Last year we managed to raise £2,735 for ACWW which is below our usual total but amazingly good in the difficult circumstances of lockdowns and restrictions. Let us hope that this year will be better!

### Dippy at the Cathedral

The dinosaur, nicknamed Dippy, is now coming to Norwich Cathedral from 13<sup>th</sup> July – 30<sup>th</sup> October. We have a meeting at the Cathedral shortly to discuss our involvement. So, for the moment, hold on to your Green Hearts and we will let you have more details when we know them.

### Virtual WI

Are any of you involved with the new Virtual WI? If so, please do share this information with everyone.

*So, we are now starting on the roadmap out of lockdown and I hope to see you again soon, even if it is still on Zoom!*

*Kind regards to all*

*Liz Barker*

*Chair of PA Subcommittee and Federation Resolutions Coordinator*
