

**Resolutions Information Meeting**

**Tuesday 23<sup>rd</sup> November 2021, 10.00 – 12.30**

**Mattishall Memorial Hall**

At last, we can hope to hold a meeting to discuss the shortlisted resolutions for 2022! As before we are going to Mattishall to talk about the resolutions before you vote in January. You will see the resolutions in WI Life in November. We always have a lively discussion. At the moment we have no idea what the resolutions will be – the shortlisting meeting is at the beginning of October via Zoom again. I am sure there will be much to discuss!

This year's successful resolution "**A call to increase awareness of the subtle signs of ovarian cancer**" is our new campaign and you will have received a leaflet in a recent mailing from the charity Target Ovarian Cancer. Do contact them if you would like more information.

What will this year's resolutions be?

Come to Mattishall and join in the discussion! We look forward to seeing you again!
