

Norfolk Federation Newsletter

Hello from the Office! We're back in the New Year...

We hope that you have/have had a Merry Christmas!

At the time of writing this newsletter and sending the mailing and January Norfolk WI News we don't know whether there will be further changes implemented, and how this may affect us all. Needless to say, when we return in the New Year we will let you know as soon as possible of any alterations to House opening times and any other modifications we need to make. We will email Secretaries if there are any changes, but if you can access social media, keep an eye out on our website or Facebook page, too.

This is a short newsletter, as we haven't been in the Office

Vanessa, Helen and I will be back at our desks on **Monday, 10th January 2022** and we look forward to seeing everyone in 2022!

So until next time, keep safe and well, and take care.

Shortlisted Resolutions Voting

Don't forget to send in the results of your voting. We need them no later than 14th February, in order to return the results to National.

Membership Booklets

Secretaries should have received these by now, but if not please send me an email and I will chase them when we return in the New Year. Several WIs queried when they should be handed out, given that the new subscription year now runs from April. I had emailed with a suggestion and have now heard the following from National:

We are aware of the anomaly this year with the Membership Booklet being distributed in January even though the renewal date has moved to April. So that WI members won't miss out on the special offers it contains, we would kindly ask you if you could let your WIs know that the Membership Booklets for 2022 publications should be given out as usual during your January meeting (or during January if delivering by hand). Although the date for subscriptions/ membership has changed to April, it is important that the publication, with its offers and rewards that are valid from January, should be given out in a timely fashion to give maximum benefits to your members. Should the WI wish to remove the membership card for later distribution in April then it's entirely up to them but this problem will not occur from next year onwards.

I hope that clarifies matters and helps in your decision making!

Finally...

Be Safe, Be Well, Be Kind,
and Happy New Year!
