Important notice about ACWW cheques!

Many WIs support the ACWW by collecting money for “Pennies for Friendship” which has, until now, gone to ACWW’s Women Empowered Fund. ACWW is now changing its approach and its project funding so its international development projects work will reflect modern needs and realities.

So, from now on, money from WIs will go into a ‘Rural Women in Action’ fund. Please no longer mark your cheques as “Pennies for Friendship” as this fund does not exist after June 2022! Just make any cheques payable to ACWW and they will be logged by ACWW as a WI donation.

Many of you will be raising funds for ACWW in the next few months for Women Walk the World – do keep walking but just remember not to put “Pennies for Friendship” on your cheques. Cheques should still be sent to the Federation Office or direct to ACWW as previously.
