

INGOLDISTHORPE VILLAGE WI NEWSLETTER OCTOBER 2021

President's Message

We have started so we are definitely going to continue, it is so good to see everyone.

So far we have enjoyed our Harvest Lunch, meeting up with our community friends, chatting and enjoying a lovely spread; and our outing to Pensthorpe, ambling along, chatting, taking in the wildlife and of course having a bite to eat. Thank you to everyone who was involved in making these happen.

At the lunch Kathy Wallace did a great display showcasing Climate Change and what we can all do to make a difference. For those who missed it you can recycle the following:-

At Tesco Stores - Plastic bags; Crisp packets; Pet food pouches; Plastic wrappers; Plastic film

At Co-Op Stores - Crisp packets; Sweet wrappers; Pet food pouches; Plastic bags; Plastic film

At Stockley's Chemist - Toothbrushes; Toothpaste tubes and caps; Toothpaste packaging

At the committee meeting we were discussing our programme for 2022; a variety of entertainment for our monthly meetings, lots to look forward to.

It's time to think about electing our new committee which we will do at our Annual Meeting in November. This month (October) we ask for your nominations. If you know you will not be at the meeting please contact Jean about doing a proxy vote.

So for now that's all from me,

Lesley

Trips and Outings

For our first outing this year 7 members had a very enjoyable day out at Pensthorpe Nature Reserve. We were very lucky in choosing the best day of the week for weather. Time was spent walking in the beautiful gardens, and around the reserve seeing the ducks, birds and animals especially the red squirrels. A trip on the Pensthorpe Explorer was very interesting, if a little chilly at times. The guide explained to us about the estate and which wild flowers could be seen at various times of the year. We all agreed that we would try to return again next year in the spring or summer when hopefully we should be able to see them all in bloom. A couple of breaks for refuelling in the cafe were needed

and the day was finished off with a browse around the shop. Thank you to Lesley and Sandie who did the driving.

Barbara & Sandie

Dates for your diary.....

Nov/Dec	The Norfolk Lights Express £18	Details and board out
1st December	Trip to Taverham Garden Centre	Board out
January	Lunchtime meal out venue to be decided	Board out

Washing up - Ronnie and Maureen Dennis

November Newsletter

Items for the November Newsletter are required by 12th November either by email to sylviapratt6pq@gmail.com, or a note through the letterbox of 83 Grovelands.

For those members with email facilities, check your Inbox around 16/17th to find your newsletter. Hard copies will be available for members without email at the meeting on the 18th.

Recycling

Since Kathy's excellent presentation at the Harvest Lunch I have collected a Tesco's Blue Bag full of items which would have otherwise gone in the Black Bin. Just goes to show how much of this stuff we get.

So, scrunch it up and if it pings back take it to the bins at Tescos or the Co-op.

Sylvia
