This award winning play is a heart warming celebration of friendship as a group of 4 ladies plan a day off from the factory for front row seats at the races.

With the spectacular back drop of Wolterton Hall and views of our 10 acre lake, guests will be seated under canvas on the south side of the Hall – it's sure to be a winner.

Whether it's the theatre, the sport, the fashion or the food that captures your imagination, there really is nothing better than enjoying a British summer's day at Wolterton. We're taking bets that you'll enjoy it.
