Light a Candle for your WI

At Carols for Christmas

Every WI is invited to decorate a jam jar (or similar vessel) to hold a tea light during the service, these will be processed by a member if your WI to the front of the Church, where they will be displayed. Tea lights will be provided and lit for you. If a WI is unable to attend but would like to decorate a jar, we can arrange for someone to process on your behalf. Please let us know if you would like to participate and, if unable to be with us, that you will deliver your jar to the House by 7th December (at the latest). (Remember, though, that if you decorate inside the jar, it needs to be fireproof!)
