

NORFOLK WI PALS NEWSLETTER JUNE 2021

Dear all

Resolution - A call to increase awareness of the subtle signs of ovarian cancer

Please encourage your WI to vote on this resolution and send your decision to your delegate for her to submit to National by the beginning of July.

Dippy at the Cathedral and Green Hearts

You will now have seen the flyer about Dippy's visit and know that we still need Green Hearts both for display and to give away. WE ALSO NEED VOLUNTEERS to help in the Cathedral. Could you spare a couple of hours on a Thursday or a Saturday in July or August or on a Saturday in September and October? You will be able to park while you are on duty and you will talk to visitors about our climate concerns and give them green hearts. It should be fun and interesting. If you are interested then contact Helen Hall admin@norfolkwi.org.uk with the date when you could help and time (10-12, 12-2, 2-4) and she will send you more details.

Plastic – from drastic to fantastic!

The flyer has now gone out for this so do start to be creative and make something Useful or Beautiful from some waste plastic.

Kind regards

Liz Barker

Chair of PA Subcommittee & Federation Resolutions Coordinator, Norfolk Federation of WIs
