

## The WI Can Do It!

- What?** **Norfolk Day, Monday July 27th**  
(and a few days before)
- Why?** We, the WI, **love our beautiful county** and welcome the chance to **celebrate both Norfolk and the WI**
- Where?** Somewhere **you love** in Norfolk
- When?** Anytime **soon!**  
We need your contributions, to plan ahead
- Who?** Any Norfolk WI member! **Ideal for self-isolation!**
- How?** Use our slogan **#WI♥Norfolk** creatively (and safely) **in a Norfolk location that you love**

Hashtag slogans are easily seen and shared by others, so you *could* also use #NorfolkDay2020 (the main hashtag of the day) #MyVirtualWI (National Federation of WIs hashtag)

**Then take a photo of you smiling and holding up...**

The slogan board we have designed for you  
or

Design your own slogan board using your WI skills & craft of your choice!  
Painting...embroidery...icing...spelling it with fruit and flowers...

**The Possibilities are Endless!**

**Add a message of no more than 60 words, saying why this WI member loves that place in Norfolk! (Include your name and WI)**

**Send it to us by 17th July**

(post it to Evelyn Suffield House or email [fedsec@norfolkwi.org.uk](mailto:fedsec@norfolkwi.org.uk))  
to give us the best chance to get online and in Norfolk WI News (we have to plan ahead!)  
We hope to be sharing with the EDP & BBC as well!

- Q.** What happened to "To The WI: It's as Easy as 'ABC'! Norfolk Day – 2020" (May Magazine)?  
**A.** Social distancing, self-isolation and lock-down, made it impractical. We will use that idea in 2021 ... and the letters L (Rackheath) and M (Mundesley) are already spoken for!
