Itinerary

Day 1

We depart from your local joining point and make our way to Rushton Lakes, before continuing to Stratford-upon-Avon for our 4-night stay on a dinner, bed & breakfast basis.

Day 2

After breakfast, our excursion takes us to the delightful town of Royal Leamington Spa, with its wide boulevards, Georgian and Edwardian architecture, and expansive, award-winning parks. We then make the short journey to visit Warwick Castle, England's finest medieval castle (general admission).

NB: Warwick Castle is a medieval fortress and has some steps, narrow passageways and low doorways which can present a challenge for guests with reduced mobility.

Day 3

This morning we visit William Shakespeare's childhood home in the heart of Stratford-upon-Avon. Hear the tales of Shakespeare's family life and get up close to objects from the Trust's world class collections, as you discover how the extraordinary playwright continues to shape our lives today. This combined ticket includes Shakespeare's birthplace, Anne Hathaway's Cottage & Shakespeare's New Place.

We then travel to Worcester for some free time; you may wish to visit the Cathedral or maybe the Museum of Royal Worcester.

Day 4

At leisure in Stratford-upon-Avon. A market town with more than 800 years of history, containing not only many buildings that survive and would have been familiar to Shakespeare, but also a thriving community offering a wide variety of leisure, accommodation and shopping experiences.

Day 5

After breakfast we depart our hotel and begin our homeward journey making suitable stops en-route.

Norfolk Federation of WIs

Coach Outings, Holidays & Federation Events Accessibility Policy

This policy covers day outings, holidays and events organised by the Federation. It sets out the Federation's policies regarding accommodating members with disabilities, the attendance of carers and other matters.

The Federation are committed to ensuring equality amongst members and will endeavour to make reasonable adjustments to ensure that it is not judiciously difficult for members to participate in all Federation events.

This policy has been developed to meet the Federation's legal responsibilities and to provide members with advice.

Accessibility

The Federation organiser will ascertain disability access at venues, hotels, etc. (i.e. lifts) and provide that information to members.

This information will provide the Federation's expectations for members to be able to board a coach, climb any stairs, handle luggage (if portage is not included), walk a reasonable distance on the level, or up and down gradients and steps. Members can contact the Federation if they have any queries regarding access, etc.

Personal Care

We want you to be best equipped to enjoy Federation events so be advised that whilst we endeavour to take every care, as you would expect, in the organisation of events, the Federation cannot be responsible for members' personal care. Nor do we expect other members at the event to take such responsibility.

Personal care includes, but not exclusively: toileting, bathing, dressing, assistance with medication.

Carers

If you normally need assistance with walking, carrying luggage or any aspects of personal care, you should bring your carer with you because neither the Federation or fellow members will be responsible for such assistance. Carers, male or female, are welcome but members will need to book and pay for their carer.

Members should advise the need for their carer on the booking form.

No charge will be made for carers where the activity is an educational one (i.e. a museum trip) paid from the Federation's educational funds.

If carers wish to participate in activities at an event (i.e. craft days), they will be expected to pay for that activity, if other members are paying.

National Annual Meetings

Members attending as a Delegate: carers accompanying delegates are able to attend free of charge and their travel expenses will be covered by the Pooling of Fares, however, accommodation and other costs will not be covered.

Observers: carers accompanying observers will be given a free entry ticket. Travel costs, accommodation and other expenses are the responsibility of the observer and will not be met by the Federation.

If it would cause financial hardship for the member or carer to pay for an event, members should raise this in confidence with the Federation Secretary, as it may be possible to waive the fee. Such decisions will be considered on an individual basis.

Wheelchairs

For outings and holidays, individual coach companies have their own wheelchair and mobility scooter policies. The Federation will therefore have to adhere to those policies. Members who use wheelchairs or mobility scooters must therefore provide information on the equipment they use at the time of the booking.

Assistance Dogs

Assistance dogs are welcome. Members should inform the Federation, so that appropriate arrangements can be made.

Outings & Holidays

Whilst the Federation strives to include all members, the Federation is not skilled at providing holidays and outings for those with substantial disabilities. Those needs are best met by professional holiday companies.

The Federation will take steps to ensure that appropriate concessions are obtained from a venue for carers or those with disabilities.

Insurance

Members are responsible for arranging their own travel insurance for outings and holidays. The Federation shall not be liable for insurance premiums, nor for refunds to uninsured passengers.

Attendance

Non-members are welcome, but members will have precedence in the event that an outing, holiday or event is over-subscribed.

Where an event is subsidised by the Federation, non-members will not be subsidised.

Price per person

The cost of an outing, holiday or event (where available to non-members) shall apply to all members and non-members alike.

The organiser of an outing, holiday or event is responsible for administering all aspects, but she shall not be expected to act as the carer for individual members.

Government Regulations

The Federation will adhere to any current Government public health guidelines and regulations. If necessary instructions will be issued. The Federation will also adhere to coach company and hotel guidelines.

Federation Annual Meeting

Every effort will be made to accommodate attendance for members with disabilities, depending on the venue, which may have limited seating for, e.g. wheelchairs and mobility scooters.

Cancellation

The Federation cannot be held responsible for events that are cancelled or postponed due to circumstances beyond our control.
