

2020 Resolutions

With the National Annual Meeting cancelled this year a vote cannot be held on the 2 resolutions which were proposed

After considering various options the National Board of Trustees has decided that in these exceptional circumstances both resolutions should be adopted

Our new campaigns are

End Modern Slavery

&

A Call to Increase Potential Stem Cell Donor Registration

There will be new campaign materials and guidance in due course

2021 Resolutions

The timetable for submitting resolutions for 2021 is now being decided. As soon as we have more details we will let you know

 You can submit resolutions as usual

 In these exceptional times, you will not necessarily need your whole WI to propose your resolution at a full meeting, a meeting of your committee can countersign your resolution

 However, as always, all resolutions must be countersigned by me as Resolutions Coordinator for Norfolk

So, start thinking about a Resolution!

Talk as always (by phone, email, Whatsapp, whatever you like!)

Research your ideas

Follow the guidelines for submission

Do contact me if you have any ideas and we can talk them through
