

Women Walk the World 29th April 2021

*These boots were made for walkin'
And that's just what they'll do...*

for the Associated Country Women of the World (**ACWW**) and the international projects supported by our **Pennies for Friendship**

Lockdowns and isolation need not stop us!

All being well, **we can walk in April in a group of 6**, so on **29th April**, (or another convenient day nearby) please try!

A donation to ACWW's projects fund would be welcomed - but is never compulsory!

Some Ideas

1. Map your community and walk it as a relay from one to another, calling at any housebound members you pass.
2. Include your household members – and dog, of course!
3. Take a small gift: cake, flowers ... to those that can't get out.
4. Work out with your Treasurer how to get the money to her and on to Federation Office.
5. Think about the hundreds of other ACWW members around the world who are also walking – for pleasure, or of necessity.
6. **Enjoy whatever the day brings: we are still able to do this!**

By the end of April we hope to be "walking back to Happiness"!
